- The university is distinguished for its affiliation and registry at the WHO, Magna-Charta Universitatum (Bologna, Italy), European University Association (EUA), and the Association of the Carpathian Region Universities.

## Quick Facts

## Rector's Message

### Boychuk Taras Mykolayovych

Rector

It's such a joy and honor to welcome you, dear future healers and comforters of the world at BSMU. We've always been more than just being a medical school.

The university has seen many a scholar, scientist, and physician walk its hallowed aisle; who transformed the world around them. Come be a part of the transformatory journey with us.

## Why BSMU?

- Advanced center of simulation medicine with robotic technology deployed in training.
- More than a dozen state and national laureate amongst the faculty.
- Amongst the top 5 best higher educational academies of western Ukraine.
- Young scientist council at the university that works in tandem with the Students' scientific society in close cooperation with the University Administration.
- BIMCO international medical and pharmaceutical congress of students and young scientists is held at the university with more than 1500 participants from 75 educational institutions and medical institutions from 32 countries.
- The medium of instruction is in English apart from Ukrainian and Russian.
- State of the art infrastructure.
- Safe and secure for international students.
